What is it about?

A nine month part time programme that fits around work or studies. You will:

- Run your own social action campaign on an environmental/ sustainability issue that you care about
- Be individually matched with a coach and professional mentor
- Meet and build relationships with the UK's most senior leaders
- Learn about environmental/ sustainability issues on a local, national and global level, from the companies that are tackling them

Sessions are usually once a week in the evening. You will also be required to meet regularly with your mentor and social action campaign group.

Who can apply?

- Aged 19-25
- Live in London, Birmingham, Liverpool or Manchester
- Have a passion to make a positive difference in the world
